## Product Description

The simulated large bouquet of platycodon flowers is elegant and fresh, with a full and full blooming posture. It has no fetters during the flowering period, a home beauty that never fades, and a quiet and just right simple beauty.

**Shopping mall store display:** It can be used for display and decoration in shopping malls to attract customers' attention and create a pleasant shopping environment for products and brands.

**Bars and Nightclubs:** In the decoration of bars and nightclubs, artificial lisianthus flowers create a romantic, stylish or artistic atmosphere for the venue, adding a unique atmosphere.

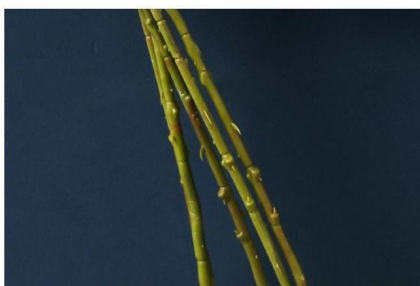

**Restaurant decoration:** Used for restaurant decoration to add color and fragrance to the dining environment and enhance customers' dining pleasure.

Made of silk fabric, green life,  
unique beauty

Made of textured silk cloth, the  
petals are realistic and layered,  
and are colored using a blending  
process with good color fixation.  
The petals are naturally curled,  
plump, and never wither.

The stem is made of soft silicone  
material, and the workmanship is  
lifelike and natural. You can  
bend, fold, string, cut, etc. to  
create at will, and it has strong  
plasticity.
